

SPEAKERS' PROFILE

Geir Jørgensen - SVP Global Head of Loss Prevention, Skuld. Geir has held this position since 2018 and has over 25 years of experience in the maritime industry. With a BSc in mechanical engineering, he spent nine years at sea on seismic survey vessels and later performed consultancy work for shipowners on maintenance and safety management systems. From 2007 to 2018, he worked at Høegh Autoliners in roles including DPA, CSO, Head of HSEQ, and Head of Crewing and Training. Geir represents Skuld in different International Group of P&I Clubs (IG) committees, chairs the Ships Technical Committee, and is a member of the CEFOR Technical Committee. His career is marked by a passion for safety at sea.

Geir Jørgensen

Dick Farrel Camoying - Responsible Technical Manager for Skuld Western Europe and Skuld Hull, and a member of Skuld's Technical Management Team. Dick joined Skuld in early 2019 after a sea-going career as Chief Engineer, with 18 years aboard PCTC vessels. He later served as Technical Superintendent at Høegh – Wallem Ship Management. His expertise includes RORO cargoes, bunker handling, hull and machinery, damage/repair assessment, class rules, planned maintenance, and ship management. Dick holds a Master in Ship Management (MSM) from John B. Lacson Foundation – Maritime University.

Dick Farrel Camoying

Flavia Pompa Mellilo - Vice President, Global Head of Claims Processes, Skuld (Oslo). Flavia joined Skuld in 2000 as a Claims Handler and was appointed Vice President in 2016. She has over 25 years of experience in marine insurance, specialising in personal injury claims. Flavia represents Skuld on the International Group of P&I Clubs' Personal Injury Committee, the Philippines Work Group and chairs the US Personal Injury Claims Work Group. She holds a bachelor's degree in international law from the Pontifical Catholic University of São Paulo and a Master of Laws in Maritime Law from the University of Oslo.

Flavia Pompa Mellilo

SPEAKERS' PROFILE

Eric Zhao - Senior Claims Executive, Skuld Hong Kong. Eric holds a law degree and a master's in maritime law from China. Since joining Skuld in January 2019, he has handled both P&I and FD&D claims. Previously, he worked as a legal officer for three years at a shipowner in Hong Kong and spent one year at an international law firm.

Eric Zhao

Capt V. Rama Chandran - Master Mariner and Loss Prevention Technical Manager, Skuld Singapore. Rama has 33 years of experience in the maritime industry, with roles in sea-going, marine consultancy, P&I correspondents, DPA, and with the maritime authority. He has a personal interest in maritime history, human factor ergonomics, listening to seafarers, and collecting maritime-related antiques.

Capt V. Rama Chandran

Katinka Kure - VP, Marketing & Communication, Skuld (Oslo). Katinka has 19 years of experience in the insurance industry and previously worked as an Analyst, Ratings & Investor Relations at Lloyd's of London before joining Skuld Energy in 2010. Since 2017, she has been part of Skuld's Marketing & Communication team, managing projects like Skuld Walking for Seafarers, which supports seafarers and UN SDG 3, good health and well-being. Katinka is also member of Skuld's sustainability working group.

Katinka Kure

SPEAKERS' PROFILE

Ken Littlejohn - Head of Claims, Skuld Hong Kong. Ken began his shipping career in London after completing his legal qualifications. He relocated to Hong Kong over 20 years ago, serving as Claims Director for P&I and FD&D at another P&I Club, and as a Board Director of a Lloyd's marine insurance broker before joining Skuld.

Ken Littlejohn

Kasper Winroth - Vice President, Claims, Hull, Skuld (Oslo). Kasper joined Skuld in August 2025 and brings 15 years of maritime industry experience in commercial and technical roles. Previously, he was Fleet Manager at BW LNG, overseeing budget, safety, and availability of steam and 2-stroke fleets, and earlier served as Commercial Manager and Technical Superintendent in various shipping companies. Kasper holds an MSc in Naval Architecture and a BSc in Business Administration.

Kasper Winroth

Helen Tang - Assistant Vice President, Claims, Skuld Hong Kong. Helen is a Hong Kong-qualified lawyer who joined Skuld in June 2024 after 12 years in private practice with international law firms. She specialised in maritime law and global trade, focusing on disputes related to bills of lading, charterparties, letters of credit, international trading contracts, and ship management contracts.

Helen Tang

SPEAKERS' PROFILE

Dr. Jonathan F. Reyes - Senior Follow-up Physician, Halcyon Health Network Inc. Dr. Reyes holds a Medical Degree from the PLM College of Medicine and brings over 15 years of experience working with seafarers. He regularly delivers presentations to shipping companies on health issues affecting seafarers, focusing on preventive care and well-being.

Jonathan F. Reyes, M.D.

Capt. Nebuchadnezzar Rabaya - Training Director, Norwegian Training Center, Manila. Capt. Rabaya is a proud graduate of the Philippine Merchant Marine Academy (Class of 1995) and has nearly 20 years of sea-going experience, sailing from Cadet to Master on various vessel types. He is an accredited Dynamic Positioning (DP) Instructor by the Nautical Institute and has extensive experience in Offshore Oil and Gas as well as Offshore Wind operations, including Wind Turbine Installation Vessels, cable laying, and Walk to Work gangway systems using Amplemann. Capt. Rabaya holds a master's degree in business administration and a master's degree in Shipping Management.

Capt. Nebuchadnezzar Rabaya

Mr. Michael U. Jimenez - Clinical Psychologist and Professor. Michael is a registered psychologist, nurse, licensed teacher, and MBA holder, with additional computer science and organisational development expertise. He is currently pursuing a Ph.D. in Psychology at the University of Santo Tomas. Michael was a panellist at the 2022 Global Crew Connect, where he addressed pandemic-related PTSD among seafarers and advocated for enhanced mental health awareness and intervention in the maritime sector. He has conducted training on the WHO Mental Health Gap Protocol for the Philippine Department of Health – III, and his insights have been featured in major publications, including the Philippine Daily Inquirer, Manila Bulletin, Vice Media, and Rappler World.
